Go Fast Sports & Beverage Company offers the premium energy drinks on the market – with better flavor, more active ingredients, lower sodium and sugars and **NO PRESERVATIVES!**

Both Go Fast Original and Go Fast Light have a great taste without a medicinal flavor or aftertaste – they are lightly carbonated, refreshing and formulated with Australian Honey instead of high fructose corn syrup.

Go Fast's exclusive herbal blend is the same in both **Go Fast Original** and **Go Fast Light**, so they both offer a longer, smoother and more sustained energy boost than other high-sugar products on the market.
